Under the Son recognized for family and community involvement

Mrs. Bev Littleton and Mrs. Denette Arthur are shown above with some of the students who attend Under the Son Early Childhood Education Center. In no particular order are Austin Blaine, Gracelyn Branam, Nolan Clark, Kane Colvin, Brody Combess, Callie Dunn, Xander Foster, Emerson Fryman, Branley Garrison, Piper Gerhard, Layton Hargett, Cooper Horch, Kash Lippert, Hadley Littleton, Taylor Luther, Maclain Miller, Brynn Moford, Elijah Pickrell, Andrew Ray, Cameron Smith; and BCHS Senior Work Base Learning participant Holly Brothers.

Under the Son Early Childhood Education Center was showcased at the Early Childhood Institute in Louisville on June 28th - 30th. The conference was sponsored by the Governor’s Office of Early Childhood. Suzanne Thompson Ross, Regional Child Care Administrator - East Mountain Region, requested pictures and submitted them for the poster walk that took place on June 29th. She felt the Under the Son program shows the best representation of what quality family and community involvement really looked like in an early childhood education center. Ms. Ross was so impressed with Under the Son’s program, she stood with their poster and answered any questions of the Early Childhood Institute participants. Under the Son’s poster was one of 15 posters representing different agencies and spotlights on successful programs like the one ran by Mrs. Bev Littleton and Mrs. Denette Arthur. Augusta and Bracken County should be very pleased by Under the Son being chosen from 180 plus programs from 28 counties and also for their dedication to early childhood education and to their past, present, and future students. Not only do they provide a solid foundation for learning in each of their students, but they show their love and compassion for them even as they grow and move on from their gentle guiding hands. Congratulations to Mrs. Bev and Mrs. Denette and their quality education program.

Halloween, Trick or Treat, traditions date back centuries

Shown above are the Halloween decorations of the Tucker Family on Miami Street in Brooksville.

Many Halloween traditions may have originated with the ancient Celts and their priests, the druids. Other civilizations adopted and changed the ancient rituals, such as bobbing for apples or donning disguises.

“Our Halloween celebrations are the remnants of the pre-Christian Celtic celebrations,” said Fred Suppe, a Ball State history professor and an expert in Celtic folklore.

“The Celts can be traced back to 800 B.C. to what is now southern Germany and include the ancestors of the Scottish, Irish, Manx, Welsh, Cornish and Bretons. Particular motifs of modern-day Halloween such as the date and time it is celebrated, children trick-or-treating, the jack-o-lantern and bob-

bing for apples are related to Celtic traditions.”

When Christianity was introduced to the Celts, church leaders tried to persuade them to abandon their pagan celebrations and adopt the Christian calendar. Because these traditions were culturally ingrained, the church provided alternative holy days such as All Saints’ Day on November 1.

“The evening before All Saints’ Day became ‘All Hallows’ Day,’ then ‘Hallow’s Eve,’ with the word ‘hallow’ meaning holy or saint and ‘eve’ meaning the night before,” Suppe says. “Hallow’s Eve evolved to Halloween.”

Another origin for trick-or-treating comes from Scotland, where young men in their late teens donned disguises after the harvest.

“The Celts called them ‘guisers,’ which is where we get the word ‘geezer,’” he said, “The guisers would march around a house and demand hospitality, which evolved into small children asking for treats.”

Trick or Treat hours will be from 3-5 p.m. this Sunday, October 29th for Augusta, Brooksville, Germantown and all of Bracken County.

The Legend of Betsy's Well

Adam Shrofe, also spelled Srouf, served in the Revolutionary War, in the Pennsylvania Fourth Cavalry Regiment. He received his last pay January 1, 1783, and afterwards migrated to Kentucky. He married Hannah Wood, Mason County, on November 19, 1791. To the family were born six children, Nancy, Amos, Elizabeth (Betsy), Sebastian, Mary and Sarah.

Nancy, their first child, was born in a brick house about half a mile east of Dover, that was built by her father Adam Sroufe. The house still stands today.

Elizabeth (Betsy), daughter of Adam and Hannah Sroufe, married Robert Boothe. They lived on a little hill just east of Augusta, which became known as Betsy Booth Mountain (near the Gerhard Farm Supply in east Augusta) and has carried that name down through the ages. During one of the Western gold rushes, Robert Boothe, Betsy's husband, and Adam Shrofe, son of Amos Shrofe, son of Adam and Hannah Wood Shrofe, went to the West in search of gold.

From the story that has been handed down through the generations, they found a large amount of gold. On their way home, Shrofe met with an accident and was left for dead. Boothe returned home with the gold and also with a story that they had been robbed, and in the robbery Shrofe had been killed. In that case, since Shrofe was his wife's nephew, he thought it best to hide the gold.

A short time afterwards, Shrofe, who had been left for dead, returned home. According to the story handed down, the gold was kept in an iron pot

hanging in a well at the Booth home near Augusta, and Betsy Boothe showed it to several of her close friends. One of these friends was a relative of her husband and a very dear friend of hers. Betsy invited her to the well, then reaching for the hidden rope she wound the pot of gold up the well to the top and showed it to her.

Then, since she was so close to the family, she took a lump of the gold from the pot and gave it to her with these words, "This is yours to keep."

From this lump of gold, a beautiful ring was made, and the rest of the lump was kept intact. The ring and the lump of gold has been handed down through the generations of the family.

Today, one of the great-granddaughters of this dear friend of Betsy's has a ring that was put on her finger when she was a little girl. A ring of gold that was fashioned from a lump of gold that hung by a hidden rope in Betsy's well.

Adam Shrofe lived in a white stone house on Front Street in Augusta, and according to the story, watched the Booshes the rest of their lives, and no disposition was ever made of the gold. In this world, today, gold is scarce and very valuable, but somewhere around Betsy Boothe Mountain, in the bottom of the well, that has probably been filled with dirt, lies an iron pot filled with that precious metal. GOLD!

This article was written by Chester Bryant of Augusta, Kentucky. Chester was the pharmacist and owner of a drugstore in Augusta for many years.

Supposedly, if you drive late at night on Pea Ridge and park your car on the west-end, you can yell for Betsy "Boo" and she might appear in a white night gown.

Gov. Bevin ceremonially signs Rep. Sims' bill to better-protect athletes from head injuries

On Tuesday, October 17th, Gov. Matt Bevin, seated, ceremonially signed legislation that was sponsored earlier this year by state Rep. John Sims, Jr., who is standing to the immediate left of the governor. Rep. Sims' bill prohibits coaches from returning students to a game or practice if they have been diagnosed with a concussion. The new law also keeps the injured player from returning until he or she has received written permission from a doctor. Gov. Bevin ceremonially signed the legislation in the Capitol Rotunda with several of Rep. Sims' fellow legislators and members from the Kentucky High School Athletic Association.

THE DANGERS OF SOCIAL MEDIA

A recent survey by the Royal Society for Public Health suggests that social media can be bad for our mental health. Anyone who has ever spent time on Facebook or Instagram probably knows that the images and messages there can make you feel insecure, envious and inferior. Cases of cyber-bullying and other forms of online shaming or intimidation are too well-known for anyone to doubt this possible hazard. The survey of approximately 1500 people aged 14-24 found that social media sites such as Facebook and Instagram increased feelings of anxiety in over half of the respondents. Seven out of ten of the respondents said that Instagram made them feel worse about their body image and 2/3 of them said that Facebook made cyber-bullying worse. Those who spent more than two hours per day using social media were most at risk, and the researchers are calling for measures aimed at educating users on how to use social media in a positive way. We all desire to connect with others in a positive way, and while social media can facilitate this, it can also make it very easy to harm others. So use social media, but use it wisely, and always only for good. — Christopher Simon

"Flee the evil desires of youth and pursue righteousness, faith, love and peace, along with those who call on the Lord out of a pure heart. Don't have anything to do with foolish and stupid arguments, because you know they produce quarrels. And the Lord's servant must not be quarrelsome but must be kind to everyone." —2 Timothy 2:22-24 NIV

Letters To The Editor

We appreciate the Solid Waste Management for the chance to make money for our Science Trip. It's kind of two-sided, we need the money, but we shouldn't have to pick up other people's trash. People need to realize we need to keep our roadways clean as we would our homes. Please take your trash home with you.

Smoking is not good for you either and we sure had a lot of empty cigarette packs. Quit smoking, you're better off, and there would be no cigarette packs thrown out along our roadways.

There could be fines, Think About It!

Brooksville Christian Church Celebrates 175th Anniversary

On October 31, 1842, a group of Christians gathered to begin a church "built on the foundation of the apostles and prophets with Jesus Christ as the chief cornerstone." They agreed to "take the old and new testament scriptures for the rule of our faith and practices, believing that they are sufficient to govern the church in all things." One hundred ninety names were signed to the statement of purpose. Some of the last names were Marshall, Day, Fronk, Daugherty, Mofford, Hamilton, Ware, Poe, Weaver, Browning, Woods, and Wallin. One hundred seventy-five years later the church still holds true to those beliefs while trying to love God with all our heart, mind, and soul and loving one another as Jesus loved us.

On Sunday, November 5, the church will celebrate this milestone with a special service at 6:30 p.m. The program will include a history of the church including a video presentation looking back at the church's programs and outreach. Jason Shields, who grew up in the church and then served as youth minister for seven years, will be the featured speaker. Jason and his family now live in Cynthiana where he serves as student minister/worship leader at Unity Christian Church. The community is invited to come celebrate with the church.

NEW LIFE FELLOWSHIP

Pastor Doug Tucker

We had a great time in church this past Sunday. Appreciation to the worship band and for the special music by John and Mary Whalen. I spoke on a message I titled "Just Do It". There are some things you don't need to pray about or get counsel for, we just simply need to do it. When with an act of our will we "Just Do It" our emotions will follow and so will God's blessings!

A young couple in our church, Justin and Aleisha Hurst, will be launching a new ministry for our community here at New Life. The ministry is called "Celebrate Recovery" and is a national ministry that has been successful throughout America in helping people to get and stay free from drug additions. We will be sharing more in the near future as the starting date will begin before Christmas.

By the way, we welcomed a new couple to our church and community as Paul and Brenda have been visiting for several weeks and just bought a house and will be moving from Ohio to our area.

If you don't have a home church, come visit with us. Coffee and refreshments at 10:15 and morning worship at 10:30. Remember God loves you and so do we (Romans 5:5).

Augusta Christian Church News

by Wanda & Marlene Bruce Heller, Minister

This cool Sunday we welcomed back Dorothy & Bruce. They have been holding revivals at different churches. We sure missed them but they were out spreading the Word of God.

We had a choir of small children who sang this morning. They were great!

Opening prayer was by Greg Perkins. Closing prayer was by Owen Shackelford. Our special was by Dan Young. He sang and played guitar. Very good!

Our church message was "All People Are Called To Serve In The Church". We all have talents, so use yours.

We want to keep in prayer Makayla Nelson, Donna Osborne, Leon Browning, Dr. Brindley, our men & women in the armed forces. A special prayer for the Gary Clark family. Pray for a safe trip home for Jerry & Mary Zeigler who are in North Carolina.

WILLOW BAPTIST
Pastor Trent C. Keeton

Greetings from Willow Baptist. The point of the message this past Sunday was prayer. Not just our usual prayer for the sick and asking for a good day, but for God to move in a specific way to use each of us to reach our community for Christ.

The month of October sure has been a very busy one and the last Sunday will be no exception. Please make plans to join us for Connect Groups at 10:00 and Worship at 11:00 every Sunday; and at 7:00 on Wednesday nights. Our youth will be leading in the worship service this week and everyone is looking forward to seeing what Jara has in store for them. Starting at 5:00 on Sunday afternoon our parking lot will be filled with all sorts of friendly folks passing out candy, hotdogs, and soft drinks. There will be inflatables, a bouncy house, and even a maze for the "trick or treaters" to enjoy.

A few of our folks will be headed south for the winter in just a few days. We wish them safe travels and hope they enjoy the warm weather.

October is pastor appreciation month. My family and I truly are grateful for all this church does for us. I am so blessed to serve as their pastor. Hope its a great week for you all!

PRESBYTERIAN POTPOURRI
by Susie Hargett

What a beautiful fall day to be in the house of the Lord to worship him! The sanctuary was "alive" with fellowship before services! We had 45 in our body of believers this morning, and we were dismissed full of the message delivered by Sharon Hausman, from Ohio, in Les' absence.

Millie Bush was the liturgist. Susie led singing. Genna Lou and Viola Kennard accompanied us on the piano and organ. Paul Mefford on guitar. Deborah Habermehl and granddaughter, Abby, brought a wonderful special!

We began our new Sunday School book, "Anxious for Nothing", by Max Lucado. A very timely study, jam-packed with God's Truth and promises for his own, during these dark times.

We will be serving soup and sandwiches for Soup Supper this week. The Food Bank will be open on Tuesday from 1-2:30. The coat ministry is now open.

We are busy organizing and gathering goodies to serve the Augusta Ministerial Association's Thanksgiving Community Carry-Out Meal and Soup Supper on Mon., Nov. 13th. Plans are being made for volunteers & friends to be a part of this busy day!

What Are Your Sources Of Strength?

A basic rule of life seems to be when people get stuck in hard things, there is pressure on friends, families, and bystanders to keep it quiet or try to handle it on their own.

These hard things can be: feeling hopeless and suicidal, harassed and bullied, stuck in unhealthy drinking and drug use, getting too angry and aggres-

sive, or even feeling anxious, fearful, or worried to the point it's hard to enjoy yourself.

Sources of strength believes that we can help when we see friends, family, or others stuck in unhealthy or even life threatening situations. We can help by connecting them to several sources of strength or support. We spread hope by focusing on stories of strength, rather than on stories of trauma. We know our

most powerful impact comes from our personal actions, conversations, and messages that use our music, our art, our writing, our activities, our social media, our culture, and our voice. This gives life to our efforts. Whether you are a peer leader, parent, teacher, doctor, spiritual leader or counselor our message is simple:

- **Involve Others**
- **Don't Try To Help All By Yourself**

Mrs. Renee McClanahan's FCCLA members at Augusta Independent School attended the Young Women LEAD conference on October 19th at Northern Kentucky University to focus on Leadership, Education and Development. The purpose of the conference was to empower high school girls to embrace their strengths and to reach their full potential. The all-day session featured nationally recognized women who shared their own insights on real life issues and how to overcome them to achieve successful and meaningful careers.

The students attended two breakout sessions: *Be Strong, Be Safe* where they learned concepts and skills to help them develop important and empowering self-protection strategies. They also had Lieutenant Love of NKU show them ways to protect themselves in self-defense. *Be Your Own Brand* where they talked about self-worth, negative stereotypes and how to overcome them.

The students enjoyed the conference and plan to go again next year!

St. Augustine 2nd/3rd grade students go "Bobbing for Apples"

Do you know another way to bob for apples? Kids were excited to think they were going to bob for apples but soon learned they were not going to do it the traditional way. Mrs Hay's 2nd/3rd grade class had to make a devise to get apples out of a styrofoam container without using their mouth and they could not get their hands in the water, or use the container to maneuver their apple out. Students got to work after they heard the restraints of what they could not do and what they could use which were pipe cleaners, popsicle sticks, 10 inch string, and straws.

They first had to think of a design then draw it. Then they had to try it out and redesign their device if it did not work. Next, when all had worked and redesigned, the

competition began. The highest number of 11 apples in container that were bobbed for and brought out were 6. All enjoyed eating an apple after all their hard work.

Students participating in the STEM process were Abbey Bradford, Logan McFarland, Gus Rechtin, Alayla Sims, and Willy Speakman.

HANNAH CUMMINS
CHAPTER WMU

The Hannah Cummins Chapter of the WMU met on Tuesday evening October 17th at Willow Baptist Church. Members present were Evelyn Cooper, Marilyn Moore, Cassy Scroggins, Jaime Moore, Karen Wright, Mareka Scott, Mae Jo Flaughner, Pat Mattox, and Christina Keeton.

Also we were joined by a few young ladies of our church that brought a short presentation about a project they wanted to do for our Trunk or Treat: Kaycee Moore, Katie Keeton, Finlee Moore, Piper Scroggins, and Riley Scroggins. Kaycee came up with the idea to have a gift basket full of goodies for kids and adults to give away as a door prize after the Trunk or Treat event on Sun., October 29th. All of the kids brought great suggestions of what should fill the basket and the WMU was happy to be a part of this wonderful idea. We are so glad to have young people in our church that are wanting to get involved and give back to our community.

Marilyn brought the program which was titled "Courage to Care" – we were challenged to 'move forward with boldness' in all that we do as a group and a church in our community. We must be a light to our friends, family and those around us. As we give of our time and talents we should be mindful that the love of Christ and the gospel is what we should be sharing. Also we were reminded to keep our local, national, and foreign missionaries in our prayers along with the ministries they have and the lives they impact.

President Karen Wright called the business portion of the meeting to order. Various reports were given and numerous community missions took place over the past month. Our Eliza Broadus offering goal was met and the upcoming Lottie Moon Christmas offering goal was set. The group also discussed the following upcoming events: the annual Trunk or Treat which will take place on October 29th from 5-7 p.m., and the Christmas party with a tentative date of Sat., December 9th. Several other events for November and December were also planned. Our next WMU meeting will be Tues., November 14th at 6:30 at the church. Please come and join us at Willow. God Bless you all!

“Hunter Harvest Deer
Days” Nov. 17th - 19th

The Bracken County UK Cooperative Extension Service, Bracken County FFA, UK College of Agriculture and Kentucky Department of Fish and Wildlife Resources will hold “Hunter Harvest Deer Days” at the extension office. The times will be from 4 p.m. till 8 p.m. on Nov. 17th, 8 a.m. till 8 p.m. on the 18th and 8 a.m. till 3 p.m. on the 19th.

This program was designed to give the hunters of Bracken County a place to donate legally harvested deer (doe or buck) that they would otherwise not shoot. Landowners that are hosting hunters, please encourage them to take a doe or two to help with the overpopulation of deer and donate it to the project. This will in turn help control the growing number of deer in the county that cause a lot of damage to crops, gardens and vehicles. It will also supply our local food banks that will distribute the ground venison to local people in need. Due to food safety concerns we will only accept deer harvested on these three days that are the whole deer, field dressed and with the skin on. If the temperature is warm, use a bag of ice to protect the meat.

No deer will be accepted that do not meet food safety standards. If you plan to harvest deer for the project, please register by calling the Extension Office at 606-735-2141. Have your deer’s conformation number ready to provide, we will need it to take possession of your deer. They are also in need of skillful volunteers that would be willing to donate their time to help process the donated deer.

If you are interested in helping contact Officer James C. Beckett at 606-782-3162. Door prizes for both the hunters and volunteers are sponsored by Bracken County Farm Bureau.

Halloween Safety Tips

Provided by: Neider Reynolds, Coordinator
Bracken County Emergency Management

Kids love Halloween!

They get to dress up and get free candy! What a perfect holiday! Give your kids some precious Halloween memories that they’ll have for life. Trick or treating isn’t what it used to be. It’s not as safe to let kids walk the streets alone. Send a responsible adult or older teenager with them. Have a pumpkin carving party for your children and their friends a couple nights before Halloween. They’ll enjoy looking at their creations a few days before they have to be thrown out. Check your local grocery store or craft store for Halloween cookbooks full of tasty treats on a horror theme for both kids and adults. Serve your kids a filling meal before trick or treating and they won’t be tempted to eat any candy before they bring it home for you to check.

Halloween Safety Tips

- Anytime a child has an accident, it’s tragic. The last thing that you want to happen is for your child to be hurt on a holiday, it would forever live in the minds of the child and family. There are many ways to keep your child safe at Halloween, when they are more prone to accidents and injuries. The excitement of children and adults at this time of year sometimes makes them forget to be careful. Simple common sense can do a lot to stop any tragedies from happening.

- Help your child pick out or make a costume that will be safe. Make it fire proof; the eyeholes should be large enough for good peripheral vision.

ipheral vision.

- If you set jack-o-lanterns on your porch with candles in them, make sure that they are far enough out of the way so that kids’ costumes won’t accidentally be set on fire.

- Make sure that if your child is carrying a prop, such as a scythe, butcher knife or a pitchfork, that the tips are smooth and flexible enough to not cause injury if fallen on.

- Kids always want to help with the pumpkin carving. Small children shouldn’t be allowed to use a sharp knife to cut the top or the face. There are many kits available that come with tiny saws that work better than knives and are safer, although they can cut you as well. It’s best to let the kids clean out the pumpkin and draw a face on it, which you can carve for them.

- Treating your kids to a spooky Halloween dinner will make them less likely to eat the candy they collect before you have a chance to check it for them.

- Teaching your kids basic everyday safety such as not getting into cars or talking to strangers, watching both ways before crossing streets and crossing when the lights tell you to, will help make them safer when they are out Trick or Treating.

Make Halloween a fun, safe and happy time for your kids and they’ll carry on the tradition that you taught them to their own families some day!

Varsity Runners Lead Augusta at Meet of Champions with Solid Performances

Over 5,000 athletes entered with over 125 elementary, middle school, and high school teams. The Meet of Champions held at Master-son Station Park on Saturday, October 21, is one of the largest cross country meets in Kentucky each year. Augusta returned for the first time since attending in 2012.

The boys' varsity race featured 31 full teams and 365 runners. David Reed finished 90th, running a person best time of 18:09. Adam Sallee finished 158th in 19:15, and Seth Fouts finished 185th in 19:43. Clayton Jamison ran a season best 21:43, while Stephen Cordle finished in 31:19. The team finished 25th.

"I was really pleased with the performances today," Coach Tim Litteral said. "This is by far the largest meet we've ran in this year, and my goal for our guys was to just run solid times, not necessarily running their best time, but being in the ballpark of their best time. Our last three meets have been on the Mason County course, so I wanted to see them perform well away from there. David set PR, Clayton set a season best, and the others were near personal bests."

"I feel like we're peaking at the right time with Region approaching." The varsity team will compete at the Region 5 Class "A" Championship this Saturday at Lykins Park in Winchester, Kentucky. The girls' varsity race begins at 3:15, with the boys' varsity following at

4:15 p.m.

488 runners competed in the boys' MS 4K race. Conner Snapp was the first Augusta finisher, finishing in 191st place in 16:40. Will Kelsch finished in 22:24, Eli Cline in 23:08, and Jesse Johnson in 23:13. Cline set a new personal record, while Johnson ran a season best time.

In the girls MS 4K race, 406 runners competed. Emma Young placed 52nd, running a season best 16:51.

In the girls' 6th grade and under championship race, Madisonn Wenz finished 185th out of 389 runners, running 15:25.

In the boys' 6th grade and under open race, Grayson Miller, shown above, medaled, placing 9th of 133 finishing in 13:12.

This was the last race of the middle school season. While the middle school season is complete, Snapp's season will continue as he competes with the varsity team. Young's season will also continue as she competes for the girls' varsity.

Polar Bears sting Blue Jackets

The games with Nicholas County the last 2 years have really meant something. This year it was a chance to host the first game of playoffs and secure Second place in the district. The Polar Bears made the trip to Carlisle on Friday night, October 20th, and got off of the bus ready to play, especially on the defensive side of the ball. Bracken held Nicholas County to just 110 yards of total offense. While using the running game to cement a 24-0 victory. Griffin Appleman started the scoring with a 58 yard touchdown run breaking a couple of tackles along the way. The second score went to Appleman as well just by air this time making the score 12-0 just before half. Trey Brausch and Trey Deaton rounded out the scoring for the Polar Bears. As with other games this year it was the defense that provided the punch. This was the 4th shutout of the year for the defense, making them one of the best in the state only giving up 7.6 points per game.

Now, Fairview will come calling again this year and the Polar Bears will be looking for better results. The game is scheduled for Friday, November 3rd at 7:30 p.m. Congratulations Guys and GO POLAR BEARS!!!!

TRASH TALK

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug
606-735-9960

Howdy Folks! Weather predictions for this Sunday are for upper 40's temperatures and slight rain chances so maybe the little ghosts and goblins will enjoy their trick-or-treat adventures for 2017! Local trick-or-treat hours are from 3-5 PM in Augusta, Brooksville and Germantown this Sunday, October 29. This is always an exciting time for the little ones and their attention span is limited to getting to the next house and not so much on traffic so we urge all drivers to be extra cautious during these two hours! Out of curiosity, we did an online search for the projected amount that consumers will be spending this Halloween and it was literally scary! Try to digest these numbers while munching on a Reese's Peanut Butter Pumpkin shaped candy bar! It is expected that 171 million Americans will spend an average of \$82.93! That includes \$3.1 billion on costumes, \$2.5 billion on candy, \$2.4 billion on decorations and \$390 million on greeting cards! Halloween celebrations and trick-or-treating are a far cry today from our experiences as children but then, according to our grandchildren, there weren't that many people roaming the earth at that time! Whatever you and your family do to celebrate the day, we pray for a safe and fun time!

Some folks work best when a deadline is enforced and this is for those of you who have procrastinated and not gotten your junk and excess trash disposed for free in the dumpsters located at 188 Hamilton Road! **THE LAST DUMPSTER WILL BE REMOVED ON THURSDAY, NOVEMBER 9, 2017!** YOU have exactly TWO WEEKS from the date of this Bracken County News to meet this deadline! This grant money is a blessing to Bracken County and your cooperation in following the rules and regulations as set forth by the Mason County Landfill is most appreciated! All those who have worked behind the scenes to ensure the success of this program are to be commended! If you have any intentions of using these dumpsters, please mark your calendar for November 9 and get moving! Government offices, banks,

many businesses and schools will be closed the following day, Friday, November 10 to commemorate Veteran's Day and that includes the Mason County Landfill! They have been notified that any dumpsters left will be picked up on November 9! Remember – if you snooze, you lose!

Our Fall Road Clean is winding down and workers were out in force this past weekend meeting the October 26 deadline for completion of litter pickup on assigned roads. It is so frustrating to these workers when folks come along and throw out their trash before the entire section of roadway is cleaned! We do congratulate folks who drive, and most likely live, on our County owned roads! Over the past couple of years we have noticed a dramatic improvement on the amount of trash on what many refer to as 'side roads'. Now we need to get everyone travelling State owned roads to be as diligent in keeping those litter-free! Cigarette butts are one of the most common pieces of litter and two Dutch workers are training crows to pick up these discarded cigarette butts in exchange for food! It is estimated that two billion cigarette butts per day are littered worldwide by the approximately 1.2 billion smokers who purchase 15 billion filtered cigarettes per day! That's an annual rate of 5 trillion cigarettes worldwide with the filters alone weighing approximately two billion pounds! Let's all re-double our efforts and REFUSE to LITTER, continue to RECYCLE, REUSE and REDUCE to keep God's earth clean, green and beautiful! Be seen' you – Bin & Bug.

Sheriff's Office to host Drug Take Back event Sat., Oct. 28th

Bring your pills for disposal to Bracken County Fiscal Courthouse (1st floor) at 116 West Miami Street, Brooksville, KY. The service is free and anonymous, no questions asked. “Star Spangled Celebration” to be held Friday, Nov. 3rd

RSVP (The Retired Senior Volunteer Program) will salute all our great Veterans for the 14th consecutive year with a spectacular performance at Fields Auditorium on the campus of Maysville Community & Technical College.

The concert, entitled “A Star Spangled Celebration” will take place on Friday night, Nov. 3rd at 7 p.m. with everybody’s favorite TV Personality BOB HERZOG, from WKRC TV, Channel 12 returning for the 6th time to host the event. Bob has that “spirited” personality and charm that makes this show one of Maysville’s most anticipated events.

The 22 member Maysville Community Band will be doing all your favorite brass anthems starting at 6:30 p.m. as visitors begin arriving for their favorite seats. The bands coordinator is Roger King and one of their featured vocalists includes Ms. Jenny Ray who will be heard in an incredible version of “God Bless the USA”. Also featured will be the wonderful Orangeburg Community Choir under the direction of Mrs Garnett Trimble doing a rousing patriotic medley of some of your favorite patriotic tunes. In addition, Mr. Nick Denham will be featured with his delightful Bagpipes and a solemn version of the POW/ MIA Table ceremony will be performed at the beginning of the show by the Mason County JROTC under the direction of Col. Tom Cordingley. Featured Vocalists during the 2 hour show will be the incredible Julie Clarke, Mary Griffey, Judy Gallenstein as well as teenage sensation,

Jena Wallingford (star of many theatrical productions at the Opera House including “Annie”, “Junie B. Jones” and others). Also performing from Lexington, KY will be the “Boogie Woogie Girls of Company Three” featuring homegrown multi-talented performer, Mariah Scillely & two friends performing the all time favorite Andrew Sisters medley. Marian recently returned from Florida after performing in a show at Disney World.

All Veterans will be invited to be seated on front rows for the performance in special red, white, and blue ribboned seats as well as invited to stand when their armed forces theme is played. In addition, this year, the careers of 8 individual Veterans will be spotlighted.

Admission to the concert is FREE; monetary donations for RSVP (a non profit organization that has been in Maysville for 48 years) are appreciated and a can of food is asked to be left at the lower level door, which will be divided between the Mason County Food Bank and the VFW Veterans Food Pantry. The venue holds more than 500 people and there is ample parking on the campus for nearly 500 cars.
